Dear Professors and Editors,

We would like to assure you that for our report by **Sarah Georgiadou, Nikolaos K Gatselis, Aggelos Stefos, Kalliopi Zachou, Konstantinos Makaritsis, Eirini I Rigopoulou, George N Dalekos** entitled “**Efficient management of secondary haemophagocytic lymphohistiocytosis with intravenous steroids and  $\gamma$ -immunoglobulin infusions**”, the patients were not required to give informed consent for the study as the description and analysis used anonymous data that were obtained after each patient agreed to the treatment schedule by written consent.

Best wishes  
Sincerely yours,

George N. Dalekos, MD, PhD  
Professor of Medicine  
Head, Department of Medicine and
