Manuscript reference number: 31023

To be completed by the patient:

I give my consent for all or any part of this material to appear in World Journal of Gastroenterology and all editions of World Journal of Gastroenterology, and any other works or products, in any form or medium.

I understand that:

- My name will not be published with the material and World Journal of Gastroenterology will endeavour to ensure my anonymity. However, despite World Journal of Gastroenterology's best efforts, I understand that it is possible that somebody, for example members of my family or the health care staff who have looked after me, may recognise me from the image and/or the accompanying text.
- The uses of my material may include (without limitation) publication of the material in the print and electronic editions of World Journal of Gastroenterology, on websites, in sublicensed or reprinted editions (including foreign language editions), and in other works or products.
- I cannot revoke this consent once I have signed this consent form.

Signed: 曲恒海

Date: 2016.7.28

Print name: Henghai Qu

*If you are not the patient, what is your relationship to them?*
