

## **Informed Consent Statement**

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript Number: **32584**

Manuscript Type: **ORIGINAL ARTICLE**

Manuscript entitled: **BCLC Outperforms HKLC Staging of Hepatocellular Carcinoma in Multiethnic Asians – Real-World Perspective**

Authors: **Weiquan James Li, Boon-Bee George Goh, Pik-Eu Chang, Chee-Kiat Tan**

The Institutional Review Board approved waiver of consent as the clinical data was anonymized prior to analysis and only aggregate data were reported. For patients who received therapy in this study, informed consent was obtained prior to therapy being performed.
