

## **Signed Informed Consent Form(s) or Document(s)**

Solicited Manuscript (ID 02938515)

Title: "Second-line therapy for advanced hepatocellular carcinoma with regorafenib or cabozantinib: Multicenter French clinical experience in real-life after matching"

Informed consent and Institutional review board statements: This study was based on a retrospective analysis of clinical data. Therefore, the Institutional Review Board waived the requirement for informed patient consent. The ethics committee of our institution (Hôpital Saint-Joseph) authorized this work.
