Informed Consent

Journal: World Journal Gastrointestinal Pathophysiology

Title of Study: Sepsis During Short Bowel Syndrome Hospitalizations: Identifying Trends, Disparities and Clinical Outcomes in the United States

Study Authors: Dushyant Singh Dahiya, Jennifer Wachala, Shantanu Solanki, Dhanshree Solanki, Asim Kichloo, Samantha Holcomb, Uvesh Mansuri, Khwaja Saad Haq, Hassam Ali, Manesh Kumar Gangwani, Yash Shah, Teresa Varghese, Hafiz Muzaffar Akbar Khan, Simon Horslen, Thomas D Schiano, Syed-Mohammed Jafri

To Whomsoever It May Concern,

The National Inpatient Sample (NIS) lacks specific patient and hospital identifiers. Hence, informed consent was not required.

Please feel free to reach out to me at with any questions.

Dushyant Singh Dahiya, MD,

Division of Gastroenterology, Hepatology & Motility, The University of Kansas School of Medicine, Kansas City, United States
