

Patient's Material Publication Consent Form

Research Title: Radiation-induced malignant rhabdoid tumour of the hypothalamus in an adult: A case report and review of the literature

Researcher's Name: Pei-Meng Ng, Peh-Hueh Low, Donald Ngian-San Liew, Albert Sii-Hieng Wong

To become a part of this study, you or your legal representative must sign this page. By signing this page, i am confirming the following:

- I understood that my name will not appear on the materials published and there has been efforts to make sure that the privacy of my name is kept confidential although the confidentiality is not completely guaranteed due to unexpected circumstances.
- I have read the materials or general description of what the material contains and reviewed all photographs and figures in which i am included that could be published.
- I have been offered the opportunity to read the manuscript and to see all materials in which i am included, but have waived my right to do so.
- All the published materials will be shared among the medical practitioners, scientists and journalist world wide.
- The materials will also be used in local publications, book publications and accessed by many local and international doctors world wide.
- I hereby agree and allow the materials to be used in other publications required by other publishers with these conditions:
 - The materials will not be used as advertisement purposes nor as packaging materials.
 - The materials will not be used out of context - i.e.: Sample pictures will not be used in an article which is unrelated subject to the picture.
