Statement by the researcher/person taking consent

I have accurately read out the information sheet to the potential participant, and to the best of my ability made sure that the participant understands that the following will be done:

1. The participant will be tested for the objective criteria already described.
2. The collected information about the participant are confidential.
3. The participant can withdraw whenever they want.

I confirm that the participant was given an opportunity to ask questions about the study, and all the questions asked by the participant have been answered correctly and to the best of my ability. I confirm that the individual has not been forced into giving consent, and the consent has been given freely and voluntarily. A copy of this ICF has been provided to the participant.
