

IACUC Approval # 18-03- 476

To: Dr. Marwan El- Sabban

From: Dr. Abdo Jurjus 
Chair, Institutional Animal Care and Use Committee

Subject: Title of proposal **"Molecular assembly and regulation of Connexin-containing junctional complexes in Inflammatory Bowel Disease."**

Number of approved laboratory animals: 40 mice for a period of one year

Date: March 19, 2018

It is my pleasure to inform you that your research proposal, referred to above, was approved by the Institutional Animal Care and Use Committee.

This approval is contingent on your strict implementation of all institutional rules and regulations pertaining to the care and use of laboratory animals. This approval does not alleviate your obligation to comply with other laws and regulations that are outside the scope of this IACUC approval.

I take this opportunity to wish you good luck in your research.

This approval is valid for one year. Should you wish to apply for renewal, a progress report is due in my office by March 18, 2019.

Best regards,
