**Dear Dr,**

Thank you for your letter in (14/12/2020) to submit the proposal of the above mentioned research project. Your project's documents including the application form, research proposal, patient's information sheet and consent form were reviewed by the full board Committee at its meeting on (28/12/2020).

**We are pleased to confirm the approval of your research project considering the following conditions:**

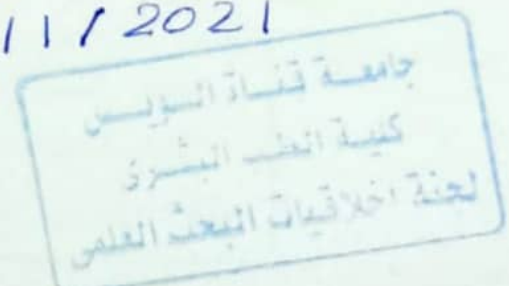

1. Approval will be for a period of twelve months. At the end of this period, if the project has been completed, abandoned or not completed for any reason, you are required to submit a Final Report on the project. If you complete the work earlier than you had planned, you must submit a Final Report as soon as the work is completed.
2. However, at the end of the twelve month period if the project is still current you should instead submit an application for renewal of the approval.
3. Please, remember you must notify the Committee in writing regarding any alteration to the project.
4. At all times you are responsible for the ethical conduct of your research in accordance with the guidelines established by the Faculty and the University.
5. Any abrasion or modification by addition or deletion for the Committee decision, it will be considered void.

**Yours sincerely,**

**Prof. Amani Waheed**  
Chair of Research Ethics Committee
