Dear Dr. Sadia Fatima,

**Re: 4523-BBS-ERC-16. PI - Dr. Sadia Fatima: Identification of some screening biomarkers for Preeclampsia and hypertensive disorders in pregnancy**

Thank you for the progress report received on December 20, 2017 requesting extension of ethical approval to the above mentioned study.

The progress report submitted by you was found satisfactory. The study is given an extension of ethical approval for further period of one year. If required, a request for further extension must be submitted after one year along with the annual report.

Any changes in the protocol or extension in the period of study should be notified to the Committee for prior approval. All informed consents should be retained for future reference. A progress report should be submitted to ERC office after six months.

Thank you.

Yours sincerely,

Dr. Shaista Khan, FRCS (Edin.)  
Chairperson  
Ethics Review Committee
