Research Ethics Committee
(Reg. # HAP-01-R-015)

01 July 2015

DR. RIM BRAHAM
Consultant
Department of Endocrinology & Diabetes

Re: Reproductive disturbances among Saudi adolescent girls and young women with type 1 diabetes mellitus

This is in reference to your submitted proposal which has been reviewed and discussed by members of the committee at its meeting held on 30th of June 2015. On the recommendation of the board of review on the ethical aspects of the proposal, Research Ethics Committee is pleased to approve and grant permission to conduct your study.

Your research protocol has been documented under:

Project No.	712
Date Approved	30 June
Series of	2015

Kindly quote the project number indicated herein in all transactions and communications. You are advised to submit a report in relation to this research scheme to update the committee of its progress.

I trust your research scheme proves fruitful and beneficial to the PSMMC.

Best regards,

DR. SAEED KADASAH
Chairman, Research Ethics Committee
