Adenoma Detection Rates In A Large Urban Teaching Hospital with African American Majority

Thank you for submitting a renewal application for this protocol. The Emory IRB reviewed it by the expedited process on **August 15th, 2016**, per 45 CFR 46.110, the Federal Register expeditable category F5, and/or 21 CFR 56.110. This reapproval is effective from **August 15th, 2016** through August 14th, 2017. Thereafter, continuation of human subjects research activities requires the submission of another renewal application, which must be reviewed and approved by the IRB prior to the expiration date noted above. Please note carefully the following items with respect to this reapproval:

- Proposal (*Version Date: August 1st, 2013*)

Any reportable events (e.g., unanticipated problems involving risk to subjects or others, noncompliance, breaches of confidentiality, HIPAA violations, protocol deviations) must be reported to the IRB according to our Policies & Procedures at www.irb.emory.edu, immediately, promptly, or periodically. Be sure to check the reporting guidance and contact us if you have questions. Terms and conditions of sponsors, if any, also apply to reporting.

Before implementing any change to this protocol (including but not limited to sample size, informed consent, and study design), you must submit an amendment request and secure IRB approval.

In future correspondence about this matter, please refer to the IRB file ID, name of the Principal Investigator, and study title. Thank you.

Sincerely,

Parul Reddy
Analyst Assistant
