Menoufia, Egypt, 06/01/2020 IRB form # (IRB00003413)

Dear ladies and gentlemen,

Hereby, we confirm that the manuscript entitled "Platelet-albumin-bilirubin score - a predictor of outcome of acute variceal bleeding in patients with cirrhosis" has been provided the approval of institutional review board and fulfilled the ethical requirements and all patients signed an informed consent form.

Kindest regards,

Prof.Dr.Hesham Abdeldaym, MD.

Dean of the Wational Liver Institute
