

Institutional review board and Informed consent statement

Date of submission 06/22/2018

World Journal of Orthopaedics

Editorial Office

Dear World Journal of Orthopaedics,

We respectfully submit our manuscript entitled “Reducing Costly Falls after Total Knee Arthroplasty.” All authors have approved this manuscript prior to submission and believe that this manuscript represents honest work. This manuscript has not been presented at any professional meetings and has not been submitted elsewhere for publication. We again thank you for your careful review, time, and consideration of our manuscript. **At our institution, this study meets criteria for exemption from IRB review and informed consent is not necessary for this is a quality improvement study.**

This research received no specific grant from any funding agency in the public, commercial, or not-for-profit sectors.

The Author(s) declare(s) that there is no conflict of interest.

Sincerely,

Surajudeen A Bolarinwa
