Dear Soo Keat,

**RE: RWH 99/17 "PROPOSAL TO ESTABLISH A RESEARCH CENTRE FOR THE
STUDY OF THE CLIMATERIC AND BEYOND (A CENTRE FOR THE OLDER
WOMAN)".**

Further to my letter to you of 13 May, 1999 I advise the Royal Women's Hospital Institutional Ethics Committee gave approval on ethical grounds for this project. It is noted that this is approval in general terms. It is understood that specific research projects will be lodged with Information Sheets and Consent Forms for consideration by the Committee when the project develops to that stage.

Sincerely yours,

Dr I L Thomas
