Protocol title: Unspecified live kidney donation by urological patients

To whom it may concern,

The daily board of the medical ethics committee Erasmus MC of Rotterdam, The Netherlands had reviewed the above mentioned research proposal. As a result of this review, the committee informs you that the rules laid down in the Medical research Involving Human Subjects Act (also known by its Dutch abbreviation WMO), do not apply to this research proposal.

Your sincerely,

On behalf of the Medical ethics committee Erasmus MC,

  
Mrs. W.C.M. Tielemans, BASc  
Secretary of the Committee
