

**Name of Journal:** *World Journal of Transplantation*

**ESPS Manuscript NO:** 29572

**Manuscript Type:** Retrospective Study

**Title:** Acute Antibody-Mediated Rejection after Intestinal Transplantation

**Institutional review statement:**

I, Guosheng Wu, worked initially as a clinical fellow and then an attending surgeon at the University of Pittsburgh Medical Center (UPMC) from 2008 to 2010. During this period, I declare that all the clinical research, including this study, was approved by the University of Pittsburgh Medical Center Review Board. Since leaving Pittsburgh for China at the end of 2010, I am unable to provide an appropriate approved letter at this time. Thank you for your understanding.
