

CHECKLIST OF RESPONSIBILITIES FOR SCIENTIFIC EDITORS OF THE BAISHIDENG PUBLISHING GROUP JOURNALS

The primary responsibilities of our scientific editors include carefully checking the entire manuscript and all accompanying materials for: (1) errors in spelling, grammar, punctuation and wording; (2) suitability of tables, figures, figure data and legends; (3) accurate and appropriate presentation of symbols (e.g. +, -, ×, ÷, %, *) in tables and figures; and (4) complete and comprehensive revision of the manuscript according to the reviewers' comments.

The information for your currently assigned manuscript and the checklist are below:

Name of journal: World Journal of Gastroenterology

Manuscript NO.: 22519

Column: Basic Study

Title: Hepatitis B and D viruses replication interference. Influence of hepatitis B genotype

Authors: Antonio Madejón, Míriam Romero, Ángela Hernández, Araceli García-Sánchez, Marta Sánchez-Carrillo, Antonio Oliveira and Javier García-Samaniego

Reviewer code: 00504172, 02861202, 03257372, 00012386 and 00506552

First decision: 2015-10-15 08:13

Scientific Editor: Ze-Mao Gong

Date of signature: 2016-01-05

Item no.	Specific items for verification	Comments
1	The fixed headings are copied.	[Y]
2	The title concisely summarizes the main topic of the study and is not too long (no more than 12 words). Words such as 'exploration', 'research', 'analysis', 'observation', and 'investigation' are avoided. The title does not start with 'The' and does not include any Arabic numbers or uncommon abbreviations.	[Y]
3	A short running title is provided (no more than 6 words).	[Y]
4	The authors' full family (sur)names and full/abbreviated first names are listed on the title page and are consistent with those listed in the signed BPG Copyright Assignment form.	[Y]

5	The entire manuscript has been investigated for scientific academic/publication misconduct before the manuscript is accepted by the Editor-in-Chief.
6	The authors' affiliations are listed on the title page and those in the signed BPG Copyright Assignment form.
7	The 'Supported by' statement describes the source(s) of funding and includes the corresponding identification number(s) as available, and contains no spelling errors.
8	The ethics-related statements are provided in accordance with the journal type (<i>e.g.</i> , ESPS Manuscript No.-Institutional review board approval, Manuscript No.-Animal care and use statement, <i>etc.</i>).
9	The 'Author contributions' passage describes the specific contributions by each author. The author's names are listed in the full family (sur)name followed by abbreviated first and middle names (<i>e.g.</i> , "Wang CL and Liang L contributed equally to this work"; "L, Fu JF, Zou CC, Hong F and Wu XM designed the research; L, Zou CC, Hong F and Wu XM performed the research; L contributed new reagents and analytic tools; Wang CL analyzed the data; and Wang CL, Liang L and Fu JF wrote the paper. All authors have read and approve the final manuscript.
10	The 'Correspondence to' passage provides the author's first and family (sur)names, abbreviated first and middle names, institute's name and complete postal address (written in all lowercase), and contains no spelling errors.
11	The 'Telephone' and 'Fax' numbers are given in full and contain no spelling, punctuation or numbering errors. Fax numbers are composed of the plus symbol, the international exit code, the country code, the area or city code, and the number (<i>e.g.</i> , +86-10-85381892).
12	The Manuscript Tracking information (<i>i.e.</i> , Received, Under consideration, Revised, Accepted, Article in press) is provided along with the corresponding editor's name and contains no spelling errors.
