Ref.: Statement of the Ethic Committee

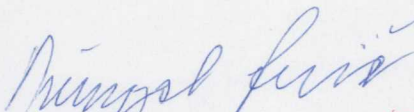

The EC declares that the research project:

NT 13673 Targeted colorectal cancer screening in type 2 diabetic patients and high cardiovascular risk patients: a multicenter prospective study

has been approved at the plenary session on July 11th, 2011.

The Ethic Committee thereby declares that it was established and operates in accordance with its Procedural Rules and in compliance with Good Clinical Practice (GCP) and valid legal regulations.

Prague, February 16th, 2015

Premysl Fric MD, DSc
Professor of Medicine
EC-Chairman
