ROBERT G BENNETT, PHD

Project Title: RELAXIN FAMILY PEPTIDES AND HEPATIC FIBROSIS

Director, Sponsored Programs
UNIVERSITY OF NEBRASKA MED CTR
987835 NEBRASKA MED CTR
Omaha, NE 681987835
Award e-mailed to: spadmin@unmc.edu

Budget Period: 07/05/2007 – 06/30/2008

Project Period: 07/05/2007 – 06/30/2010

Dear Business Official:

The National Institutes of Health hereby awards a grant in the amount of \$250,236 (see "Award Calculation" in Section I and "Terms and Conditions" in Section III) to UNIVERSITY OF NEBRASKA MEDICAL CENTER in support of the above referenced project. This award is pursuant to the authority of 42 USC 290 42 CFR PART 52 and is subject to the requirements of this statute and regulation and of other referenced, incorporated or attached terms and conditions.

Acceptance of this award including the "Terms and Conditions" is acknowledged by the grantee when funds are drawn down or otherwise obtained from the grant payment system.

Each publication, press release or other document that cites results from NIH grant-supported research must include an acknowledgment of NIH grant support and disclaimer such as "The project described was supported by Grant Number R01AA015509 from the National Institute On Alcohol Abuse And Alcoholism. The content is solely the responsibility of the authors and does not necessarily represent the official views of the National Institute On Alcohol Abuse And Alcoholism or the National Institutes of Health".

Award recipients are strongly encouraged to submit to PubMed Central (PMC), upon acceptance for publication, an electronic version of peer-reviewed, original research publications, resulting from research supported in whole or in part, with direct costs from National Institutes of Health. The author's final manuscript is defined as the final version accepted for journal publication, and includes all modifications from the publishing peer review process. For additional information, please visit <http://publicaccess.nih.gov/>.

If you have any questions about this award, please contact the individual(s) referenced in Section IV.

Sincerely yours,

Judy Fox
Grants Management Officer
NATIONAL INSTITUTE ON ALCOHOL ABUSE AND ALCOHOLISM

Application Number: 2I01BX000849-05A2

FAIN: I01BX000849

Principal Investigator(s):

ROBERT G BENNETT, PHD

Project Title: Relaxin and PPAR gamma Activation for Liver Disease Treatment

Hamel, Frederick G, Ph.D
Omaha VA Medical Center
4101 Woolworth Avenue (151)
Omaha, NE 681051850

We are pleased to inform you that funding in the amount of \$345,278 (see "Award Calculation" in Section I and "Terms and Conditions" in Section III) is being considered to support the above named project at OMAHA VA MEDICAL CENTER.

This is not an indication, however, of the final award. For some ORD Research & Development Services, the budget in Section I reflects the recommendations of the review panel and other administrative changes; for other R&D Services, the budget reflects what was requested in the application.

Budget negotiations may occur as part of the JIT process. Because we may not yet have a fiscal year budget and all just-in-time (JIT) issues have not been resolved, project start dates are uncertain. We will attempt to maintain continuity for ongoing programs, but negotiation of start dates will not begin until all required JIT documentation has been approved. Please note that, as always, funding is dependent upon the availability of funds.

A final Notice of Award will be issued after all JIT issues have been resolved and all budget negotiations are completed. Refusal of this award must be communicated to the appropriate representative of the ORD Research & Development Service named above.

Each publication, press release or other document that cites results from VA-supported research must include an acknowledgment of VA support and disclaimer (e.g., "The project described was supported by Award Number I01BX007080 from the Biomedical Laboratory Research & Development Service of the VA Office of Research and Development").

If you have any questions about this award, please contact the individual(s) referenced in Section II below.
