Dear Dr. Elahi,

On behalf of the Canadian Institutes of Health Research (CIHR), I am pleased to inform you that your recent application to the Foundation Grant 2015 competition entitled "The Molecular Mechanisms that Regulate Immunological 'Exhaustion' in Chronic conditions" has been approved for funding. Your final application reviews and competition results can be accessed through ResearchNet. If you are unable to review the documents related to your proposal, please contact us at support@cihr-irsc.gc.ca

The enclosed Appendix outlines the breakdown of the yearly distribution of funds awarded as well as the detailed list of existing grants that will be terminated. CIHR asks that you confirm via e-mail at support@cihr-irsc.gc.ca that you will be accepting the Foundation grant as per the details in the Appendix by **July 22, 2016**.

As a Foundation grantee, you will be expected to report periodically on your research productivity and achievements as well as submit an electronic Final Report to CIHR. Program Leaders who are successful within this competition must enroll, and actively participate in peer review and as members of the CIHR College of Reviewers when invited - instructions will be provided to successful grant recipients.

As CIHR only notifies the Program Leader who is listed as the Administrative Coordinator of the decision, we ask that you inform any other Program Leaders, along with their research institutions (if different from your own), of the outcome of this application.

If you have any questions, please do not hesitate to communicate with a Processing Officer in the Contact Centre at 613-954-1968 or by e-mail: support@cihr-irsc.gc.ca.

Congratulations on your success in this competition.

Sincerely,

Dale A. Dempsey

Dear Dr. Elahi:

We are pleased to inform you that your recent application submitted to the Canadian Institutes of Health Research (CIHR) December 2015 New Investigator Salary Award competition has been approved.

Applications submitted to the CIHR New Investigator Salary Award competition were assessed using a two-stage peer review process which consisted of individual reviews by three expert reviewers for each application (Stage 1), followed by a committee review of a selected group of applications (Stage 2). In total, 40 applications are being funded.

Since you are receiving this letter through ResearchNet you will also find posted an Offer of Award, a Notice of Decision, review documents related to your application, and a Response to an Offer of Award form. It is your responsibility to complete the Response to Offer of Award form and return it to CIHR within 15 business days of notification of your award.

Congratulations on your success in this competition. If you have any questions, please do not hesitate to communicate with a Processing Officer in the Contact Centre at 613-954-1968 or by e-mail: support@cihr-irsc.gc.ca.

Sincerely,

Dear Dr. Huang:

RE: WCHRI Innovation Grant 2016 – Offer of Award

On behalf of the Women and Children's Health Research Institute, we would like to congratulate you on your successful WCHRI Innovation Grant application.

Details of this offer are below and in the attached documentation.

Project Title:	Maternal immunosuppressive IBD medications may result in neonatal immune dysregulation
Value of Award:	\$50000.00 The funds will be transferred into the account upon compliance with RSO's Request for New Research Project account set-up requirements.
Funding Source:	"This research has been funded by the generosity of the Stollery Children's Hospital Foundation and supporters of the Lois Hole Hospital for Women through the Women and Children's Health Research Institute."
Term of Award:	2 year maximum.
Speedcode:	Use speedcodes 25W2R and 25W2S equally (50%/50%) when completing RSO set-up requirements.
Period of Offer:	The period of offer commences July 1, 2016, and terminates September 30, 2016. In the event a signed Commencement & Compliance form has not been forwarded to WCHRI on or before September 30, 2016, this Offer of Award will be deemed void.
Implementation:	All Applicants must request implementation on or before December 1, 2016; awards not implemented on or before this date will be considered void by WCHRI.
Reporting:	The Primary Investigator must submit a final report. The purpose of the final report is to provide details of the impact of your research to our funders.

4-081 Edmonton Clinic Health Academy (ECHA) 11405-87 Avenue Edmonton, Alberta, Canada T6G 1C9
780.248.5602 TEL | 780.248.5616 FAX | wchri@ualberta.ca | www.wchri.org

In order to request implementation of your Offer of Award, WCHRI will require completion of the enclosed Commencement & Compliance form.

A copy of the Terms and Conditions pertaining to this award are included in the Commencement & Compliance form for your reference. By accepting funding from WCHRI, you agree to abide by these Terms and Conditions.

Also enclosed in this package are the reviewer's comments and Scientific Officer notes. Please note that your Department Chair, Faculty Dean and RSO will be notified of the outcome of your application.

Should you have any questions regarding your award, please contact the WCHRI Grants Administration at wcgrants@ualberta.ca.

Again, congratulations on your successful application. We hope that your WCHRI Innovation Grant is highly productive!

Sincerely,

Dr. Sandra Davidge, Director
Women & Children's Health Research Institute
