Dear Dr. Labow:

The enclosed replaces our original check (#3304) which was sent to your office at the end February.

The Thompson Family Foundation is pleased to continue to support the research work of Dr. Richard Whelan. Our check for \$200,000 is enclosed. This is the replacement check for the check originally sent out at the end of February.

This is a restricted grant to the Whelan Research Unit at Mt. Sinai West Hospital and is given with the understanding that no 'indirect costs' will be deducted from these funds.

These funds are to be used exclusively for projects under the direction of Dr. Richard Whelan as outlined in his proposal dated January 18, 2017. Dr. Whelan has agreed to keep the Foundation informed as to the progress of the Lab's projects.

The Foundation would appreciate receiving credit at the appropriate level per year as a donor to Mt. Sinai West.

No goods or services are to be provided to the Foundation or any individual associated with the Foundation in connection with this grant.

Sincerely,

Enclosure
