Dear Dr. Todd:

The Thompson Family Foundation, Inc., which was created by Wade F. B. Thompson, is pleased to make a restricted grant to the Whelan Research Unit at St. Luke's Roosevelt Hospital in the amount of \$800,000.

This grant is payable in the amount of \$400,000 this year (enclosed) and \$400,000 payable this time next year and is given with the understanding that no 'indirect costs' will be deducted from these funds.

These funds are to be used exclusively for projects under the direction of Dr. Richard Whelan as outlined in his proposal dated April 17, 2013. Dr. Whelan has agreed to keep the Foundation informed as to the progress of the Lab's projects.

The Foundation would appreciate receiving credit at the appropriate level per year as a donor to St. Luke's Roosevelt Hospital.

No goods or services are to be provided to the Foundation or any individual associated with the Foundation in connection with this grant.

Sincerely,

Alan Siegel  
Director
