RE: Confirmation of grant award in support of “The Epi-IIRN Project: Population-based analyses of IBD using administrative database from the Israeli HMOs.”

Dear Professor Turner:

Please accept this letter as confirmation that Shaare Zedek Medical Center received a grant award (G-2018PG-CD009) in support of “The Epi-IIRN Project: Population-based analyses of IBD using administrative database from the Israeli HMOs” from the Leona M. and Harry B. Helmsley Charitable Trust (Helmsley). With Helmsley’s support, the project ran from January 1, 2018, through June 30, 2022.

Best regards,

Julia Oliva
