SPECIFIC COMMENTS TO AUTHORS

Thank you for such thorough review. Here are few comments, which can make the manuscript better. 1. As you have done and written a literature review, you can updated your title to reflect that. suggestion- Concomitant Othello syndrome and impulse control disorders in a patient with Parkinson disease: A case report and literature review. 2. your selection criteria could include duration of article search lets say 2000-2021..something like that 3. if you search articles in only English language or others, please mention it. 4. can you please add and clarify how was patient history of delusional beliefs concerning the infidelity confirmed? by wife? 5. Can you please add mean duration of OS onset since PD diagnosis in text. Minor correction- 1.was no family history of psychiatric illnese- illness
