SPECIFIC COMMENTS TO AUTHORS

Thank you for the possibility to review the manuscript titled: "Idiopathic hirsutism: is it really idiopathic or is it misnomer?". The manuscript is interesting and easy to read, provides a practical approach to the problem. Indeed, idiopathic hirsutism defines the hirsutism that occurs in association with regular menses, normal ovarian morphology, and normal plasmatic androgen levels. The manuscript provides an overview of this problem in a short but point-to-point matter. There are no major recommendations and it can be accepted in its current state.
