#### SPECIFIC COMMENTS TO AUTHORS

Thank you for the opportunity to review a manuscript "Hepatitis A virus-associated acute acalculous cholecystitis in and adult-onset Still's disease patient: a case report and review of the literature". The title reflects the main topic and the abstract summarizes the work described in the manuscript. The subject is interesting and the main manuscript file is written correctly. The conclusions are supported by the findings and literature review. I suggest to publish the manuscript in its present form.
