COMMENTS TO AUTHORS

This is a well written, balanced, well referenced, invited editorial article on the importance of publishing case reports with particular reference to NETs. I enjoyed reading it and I think it will be of general interest as well as specific interest to anyone who is interested in the history of NET research and clinical practice. Typographic errors: Page 2, line 5: change 'that' to 'what' Page 2, line 6: change 'their' to 'this'
