COMMENTS TO AUTHORS

I have reviewed the manuscript of the review article "Stroke and sleep-disordered breathing: a relationship under construction" and found it interesting. I therefore recommend its publication in the World journal of clinical cases. However there are some minor corrections that need to be done before its publication

1. Key words: please write in alphabetical order
2. Page 3, line 4: correct the spelling of 'decrease'
3. Page 5, 2nd para; You have written 72% in the table so stick to it in the text as 71.4% cannot be rounded to 72%
4. Page 7, last para, 2nd last line: correct spelling of 'acute'
5. Table 1 & table 2: please mention full form of AHI in the foot notes
6. Table 2: please define 'a', 'b' and 'c' clearly in the foot notes
