### SPECIFIC COMMENTS TO AUTHORS

The current paper is a case report that described an ureteral metastasis after a eight years that she had a breast cancer. The paper has a certain clinical implication, and well written. Below some few issues that may improve the manuscript prior to publication.

- The title is short and unclear. Should be little bit more descriptive.
- The

## SPECIFIC COMMENTS TO AUTHORS

Article „Ureteral breast cancer metastasis: A case report“ by Zhong-Han Zhou et al. is according to my opinion, acceptable for publication but after revision. The operative treatment of the patient must be better explained. The authors stated: „Then a laparoscopic radical ureterotomy was performed, and the patient was discharged six
