| <input type="checkbox"/> Grade E (Poor) | | <input type="checkbox"/> Existed | <input type="checkbox"/> Major revision |
| | | <input type="checkbox"/> No records | |

COMMENTS TO AUTHORS

This was a well-written review article. Just some minor comments: 1. There are some spelling mistakes, e.g. "cientific papers" should be "scientific papers"; "orgains" should be "organs". 2. The number of reference was relatively small for a review paper. 3. Please consider to add a table summarizing the major abnormalities in different systems.
