### COMMENTS TO AUTHORS

In the manuscript titled "Prolong small vessel vasculitis with colon mucosal inflammation as first manifestations of Behcet's disease" by Xiao-Ning Yang et al, the authors reported a very interesting case of atypical Behcet's disease with complicated medical history and multisystem damage. The manuscript is very well written. Only the figures should be changed to the original files.

### COMMENTS TO AUTHORS

Very interesting case report about Behcet's disease. Some editings should be made before the publication.
