COMMENTS TO AUTHORS

In this manuscript, the authors reported a case of symptomatic colonic metastasis from primary lung cancer. The manuscript is very well written. After minor revision, this manuscript can be published in the journal. 1. The introduction should be enlarged with some ref. 2. The case report and discussion sections are good. 3. References list should be updated.

COMMENTS TO AUTHORS

In this manuscript "Colonic metastasis after resection of primary squamous cell carcinoma of the lung: a case report and literature review", Lou et al reported a case of symptomatic colonic metastasis from squamous cell carcinoma of the lung. The manuscript is very well written, only some minor language polishing should be revised.
