COMMENTS TO AUTHORS

Dear Editors, Authors Thanks for sending the manuscript entitled" The association between gastrointestinal symptoms and affectivity in patients with bipolar disorder" for revision..Please accept the following comments - The idea of search is significantly studied throughout function bowel disorders, with all types and disorders -Results confirm what we expected , no changes from previous studies - Exclusion criteria should include other signifigant co-morbid conditions like advanced hepatic and renal diseases - Significant grammatical and spelling mistakes should be corrected - you can continue it as (single center study). Thanks
