		<input type="checkbox"/> The same title	
		<input type="checkbox"/> Duplicate publication	
		<input type="checkbox"/> Plagiarism	
		<input checked="" type="checkbox"/> No	

### COMMENTS TO AUTHORS

This paper is well written and reasonable. The possibility of tumor spread is not much mentioned in this paper. In "complex case" to reduced the risk, RFA power maybe reduced too. In this situation tumor treatment effect can be reduced. I hope you can make some comment or hypothesis for this point.
