COMMENTS TO AUTHORS

-Improve the english of the following sentence:"His sister had been diagnosed... an operation withother family members having no distinct medical history associated with gastrointestinal malignancies". -Did the patient had endoscopy of the jejunum prior to resection? -in the discussion, similar cases reported in the literature are not détailed: localization, pathology, age en sex of the patients..

COMMENTS TO AUTHORS

I think that a more detailed literature review about these exceptionally rare patients add value to this paper.
