COMMENTS TO AUTHORS

This manuscript entitled "Pancreatic Stellate Cell: The Pandora's Box for Pancreatic Disease Biology." is a comprehensive review regarding the knowledge on PSCs, as well as, the gaps that need to be further investigated. With exception of the abstract and core tip that need minor editing the rest of the manuscript is a well written review that adds a collective informative paper to the PSCs' literature. Please, find below some minor comments: MINOR COMMENTS: Abstract - Under stimulate state ... actin). : reconsider grammar - Activeted ... (PDAC). : reconsider grammar - reconsider the use of the word "action" - reconsider grammar rules regarding the use of comma as a punctuation mark Core tip - Pancreatic ... (PDAC). : reconsider grammar - reconsider the use of the word "action" - reconsider grammar rules regarding the use of comma as a punctuation mark
