COMMENTS TO AUTHORS

The reviewer considers that the letter to editor described by Nader Alipour has numerous problems. I am glad to hear that the authors of the review singled out for criticism object the letter to editor. This manuscript should be accepted for publication in WJG. However, language polishing should be needed.

COMMENTS TO AUTHORS

After carefully review the manuscript. This is a potentially interesting manuscript that attempts to answer the questions, paragraph by paragraph. This manuscript should be accepted for publication in WJG. 1. The overall structure of the manuscript is complete according to manuscript guideline. 2. The reviewer considers that the letter to the editor described by Nader Alipour has numerous problems, there comments are mostly based on personal conclusions, without any scientific support. I am glad to hear that the authors try to describe the question step by step. 3. Minor linguistic revision is necessary.
