SPECIFIC COMMENTS TO AUTHORS

1.The current title should be changed to : Ectopic bronchogenic cyst of liver misdiagnosed as gallbladder diverticulum : A case report 2.In figure 1 labeling text , blue arrow must be change to yellow arrow according to present color of arrow in figure.
3.Apart from these two very minor changes, this article reports a rare case and from my point of view is scientifically worthy of being accepted for publication after a minor revision.
