SPECIFIC COMMENTS TO AUTHORS

It is an interesting manuscript. Authors succeed to present their data in a clear way adding information to the existing literature. Therefore, I have no corrections to do and the manuscript can be published unaltered.

SPECIFIC COMMENTS TO AUTHORS

Dear Authors, Although the topic of the paper is good to explore, your manuscript needs a minor modification as per recommendation provided below: 1. Please consider numbering the lines in the paper, to allow the reviewer to make comments and easily refer to parts of the manuscript. 2. The section on Brain glucose metabolism in Alzheimer's disease is a little weak. please update the references.
