<input type="checkbox"/> Grade E: Poor		<input type="checkbox"/> Existing	<input type="checkbox"/> Minor revision
		<input type="checkbox"/> No records	<input type="checkbox"/> Major revision

COMMENTS TO AUTHORS

This is a well-written review about diabetic retinopathy in which data collecting from human donor tissues. However, there are some minor issues: - Please re write abstract by more focusing on diabetic retinopathy rather than diabetes. - Please add some keywords. - Introduction, end sentences of first paragraph have not any references. Please add reference(s).
