SPECIFIC COMMENTS TO AUTHORS

1.The research is like basic research in terms of title, but it is a review in terms of content. What is the difference between this review and that published in 2016? It is suggested to focus on the discussion and modify(1: Hirbod-Mobarakeh A, Mirghorbani M, Hajiju F, Marvi M, Bashiri K, Rezaei N. Myeloid-derived suppressor cells in gastrointestinal cancers: A systematic review. *J Gastroenterol Hepatol*. 2016 Jul;31(7):1246-56. doi: 10.1111/jgh.13284. PMID: 26729006.) 2.In this study, two data from 2018 are cited. Are there any latest data updates? 3.The format of this article does not meet the requirements, it is suggested to modify it.
