#### **SPECIFIC COMMENTS TO AUTHORS**

This is interesting and well-written review about “Gut and liver involvement in pediatric hematolymphoid malignancies”. I think this manuscript is worthy enough for publication in World Journal of Gastrointestinal Oncology.

#### **SPECIFIC COMMENTS TO AUTHORS**

Abstract: - Add a precise conclusion. Add a brief message and future directions. Text: - Define "Hematolymphoid malignancies and complications in pediatrics" in detail. - Explain what this review will add to the knowledge. - The significance rationale of the study needs more details. - Add your recommendations. It is better to add a section titled "non-pharmacological interventions for hematolymphoid malignancies" References: - Many references are very old. You have to update the references published within the last 5 years.

#### **SPECIFIC COMMENTS TO AUTHORS**

Fist i would like to compliment the authors, as their research provides valuable information on hematology lymphoid malignancies and their involvement with the gut and liver, on pediatric population. The overall manuscript is redacted very well; the authors manage to clearly communicate their ideas. Therefore, i recommend this article for publication.
