SPECIFIC COMMENTS TO AUTHORS

This is an interesting review of the load status and management strategies of main caregivers of patients with malignant tumors of digestive tract. Overall, this review is very well written. Some minor revisions are required before final acceptance. 1. Some minor language polishings should be corrected. 2. The keywords are missing in the main text. 3. Reference list should be edited and updated.

SPECIFIC COMMENTS TO AUTHORS

This review is well written. The authors briefly analyzed the load status of the main caregivers of patients with malignant tumors of digestive tract, and exploring the influencing factors and countermeasures. The reviewer recommends to accept this manuscript after a minor editing. Please note, it's not a systemic review, but a minireview.
