COMMENTS TO AUTHORS

A good and up to date review article. However, there many mistakes in grammar and use that need to be revised before further consideration.

1. No 'introduction'
2. don't see page count
3. 'Core tip' is not a clear title
4. 'Choose the endoscopic treatment', should be choice of
5. Page 3 line 11, colorectal cancer
6. Page 4, line 6, does should be changed to 'does have'
7. Title upper case need to be consistent
8. Page 4 line 19-20 omit 'can'
9. Page 5, line 15 'randomized controlled trials'
