COMMENTS TO AUTHORS

Castiella et al reviewed drug-induced autoimmune liver disease. This paper is written very well. Minor revision DILI (page 2) and CIOMS should be spell out. In addition, a reference of CIOMS should be added to this paper.

COMMENTS TO AUTHORS

The paper is very interesting and is good presented. This is a very interesting item with an increase in frequency. The so called Real Life toxicity of a large group of new drugs outside protocols may increase de incidence of this variants of presentations of DILI
