### COMMENTS TO AUTHORS

1. This article should be edited by the professional English proofreading. 2. Figure 1, H: Wise pattern (mammaplasty). This is not the incision design of Wise pattern mastectomy. It is the final scar after Wise-pattern mastectomy. Therefore, please change the figure 1 H. 3. In Figure 4 (NSM / superior periareolar incision), she had circumareolar (periareolar total) scar. Please explain. 4. Please revise the legends of figures (Figure 2-5) "Figure X a-f" is informal. Legend of figure 1 is more formal.
