COMMENTS

COMMENTS TO AUTHORS:

Dear Sir, There are minor writing errors, such as; 1. Atlas should be written as atlas in the abstract section, 2. exostosis should be written as Exostosis in keywords, 3. un-sustained should be written unsustained in the case presentation, 4. Solitary and MHE exostoses had similar distributions of vertebral origin. MHE should be written as MH in the discussion section, 5. Fifth and fourteenth references are same. Please make these corrections. Sincerely
