<input type="checkbox"/> Grade D: Fair	<input type="checkbox"/> Grade D: Rejected	BPG Search:	<input type="checkbox"/> Minor revision
<input type="checkbox"/> Grade E: Poor		<input type="checkbox"/> Existing	<input type="checkbox"/> Major revision
		<input type="checkbox"/> No records	

### COMMENTS TO AUTHORS

This paper describes in brief the current challenges for the development of genetic research in neuropsychiatry in Low and Middle Income countries. It is a well-written and I have no critical comments. Minor point "Research ON the areas" should read "Research IN the areas" throughout the paper.
