

Reviewer #1:

Scientific Quality: Grade C (Good)

Language Quality: Grade B (Minor language polishing)

Conclusion: Accept (General priority)

Specific Comments to Authors: Apart from some language polishing and improving the quality of the illustrations I think that this article worth publication

Answer:

Thank you for reviewing my manuscript. We polished some English expressions of the manuscript and optimized the illustrations at the same time.

Reviewer #2:

Scientific Quality: Grade B (Very good)

Language Quality: Grade B (Minor language polishing)

Conclusion: Accept (General priority)

Specific Comments to Authors: The authors reported a case of ectopic intrauterine device in the bladder causing cystolithiasis. Although this has been reported in other literature. However, the authors of this paper report the entire case in great detail and summarize the management of such cases based on a review of the literature.

Answer:

Thank the reviewers for affirming this manuscript. We polished the manuscript again.
